

Does Your English-Language Test Measure Up?

Not all English-language tests are the same. The TOEFL iBT® test helps you identify students who can communicate in English where it matters — in the classroom! Other tests just aren't designed with the features that can give you confidence in the English skills of your applicants.

Compare for yourself:

Test feature	Why it's important	TOEFL iBT	Other high-stakes English tests
100% academic content with integrated tasks	Students are prepared for the classroom	✓	X
Precise scoring scale	Gives a more accurate picture of students' abilities	✓	X
Centralized scoring by multiple raters who don't know test takers	Scores are fair, objective, secure and trustworthy	✓	X
Standardized speaking section at a computer	Eliminates the biases of in-person interviews	✓	X
Raters who score speaking responses from around the world	Eliminates geographical bias	✓	X
Test-taker speech sample	You hear how the students actually speak	✓	X

The TOEFL iBT test provides a clear advantage when you want a fair, accurate and unbiased measure of an applicant's English-language proficiency. With the TOEFL iBT test, you can be sure that students are prepared for success in your programs.
